

**Taking a Stand: History of Social Activism**  
**Trip to the Museum of the City of New York**

Our class will be taking a trip to the Museum of the City of New York on 1220 Fifth Avenue. The students will discover how New Yorkers have fought for freedom and equality over the past 350 years. Students will explore photographs, artifacts, and more in the *Activist New York exhibition* and then *create a button* championing a change they want to make.

For the trip, the children will bring a bag lunch. We will not be back to school in time to eat lunch. We plan to eat lunch in Central Park after we visit the museum.
