

Fifth Grade Dues for the Class of 2019

Hello fifth grade families!

As you may know, the PS 261 tradition for fifth graders is for them to have a yearbook, a special t-shirt, a trip, a party and a moving-up ceremony. Other fifth grade classes have had these in the past to celebrate the specialness of the year, and the teachers want our kids to have them as well.

These exciting things cost money. The fifth grade committee is scheduling bake sales and other fundraisers, but every year family dues also play an important role in making the year happen.

Dues for the PS 261 Class of 2019 will be **\$240**, which is what they have been in the recent past as well. If your family will need financial assistance, please contact your teacher.
